**“Annual Cherry Pie Bake-Off for Arthritis”**

The Arthritis and Osteoporosis Center of Maryland held their annual Cherry Pie Bake-Off on Wednesday, February 21, 2007. Five distinguished judges tasted 12 Cherry Pies.

Thanks to our bakers... Shirley Singleton, John Stevens, Beverly Faith, James French, Debbie Wastler, Sheila Delauter, Susan Rock, Sherry Ellsworth, and Michelle Grimm. It was a lot of fun and Dr. Wei finally received his “just deserts”. Our judges were: Brenda Ring, Centocor, Frank Murtaugh, WideOpen MRI, Alan Imhoff, Frederick City Alderman, Kathleen Lucas, NBC 25, & Ed Rodriguez, 103.1 Hometown Morning Show. They were all great sports for tasting all twelve pies. Thanks, Ed Rodriguez for being such a great emcee

Dr. Wei says, “Many of our patients are great cooks and fantastic bakers. We had a great afternoon of fun... although I did get my “just desserts”.
